RIP JEAN RUCHTI. I will always remember and keep in my heart our lunches together when you were a Sr. and I was Jr. We would sit in front of the trophy case in the foyer with several others and eat our sack lunches or fast good. It makes me smile remembering you always had a bologna sandwich and it was your favorite. And you drank milk from the cartons from the lunch line. A couple times we ate in the lunchroom when we would eat hot lunch and we sat at the table closest to the door .I remember you loved the tater tots. I cannot make it to say goodbye, but I will be thinking of you and your family today, and I will be smiling. Rest in Peace, my special HS friend.
