“ I am so sorry for your loss. Mr. Merrill, please find some strength and comfort in the words at Daniel 12:2 regarding your loved one, for it read: Many of those asleep in the dust of the earth will wake up. Yes, soon you may see your loved one again, she enjoying life and your enjoying her again. Please find some help to continue on, in your difficult days ahead.

“ Dear Merrill, Linda, Gail, Wesley and families-- Our deepest sympathy to all of you in Helen's passing. Such wonderful neighbors you have been to our family for many years. I will never forget when I used to come down to the farm and help Helen with spring cleaning. I'll never forget the first time I came and Helen said I could microwave a hotdog for lunch. I had never seen or operated a microwave before-- what a thrill!! I wish that Mom and I could come to the service, but Mom broke her leg on 3/7/15 and I have to bring her home from Skaalen Rehab on Saturday morning--back to her condo in Oregon. She's doing pretty good-good enough to try it at home and see how it goes. BIG HUGS to all of you, especially for Merrill. Our family always enjoyed visiting with Helen & Merrill -- wonderful neighbors, wonderful friends! God bless and email me if you wish--

“ Dear Linda, My sympathy at the passing of your Mom. Losing a Mom is always hard, and I miss mine everyday! Over the years, I have thought of you and have often wondered where you ended up. Hope you are happy and healthy! Maybe someday we will see you at a class reunion? There is one August 1st at Kopke's Greenhouse, that covers ten years of classmate 1965-1975. This is the fourth or fifth time Gordy has hosted this event and it is always a hoot. Take Care, Linda Wilcox Meinholz
