“ I am so sorry to hear to your loss, I will always remember her as a kind woman, she was so lucky to have a wonderful caring family. It is hard when our parents pass, God bless you all and my thoughts and prayers go out to the family. Sincerely your old neighbor, from across the street-Mary Engebretson.

“ Kay and Bud were such an important part of our lives. They opened their home to me as a child and took care of me when it was necessary for my mom to work and go to school. I became their "6th" child, the "white" child. Some of you reading this may wonder, "why the white child?" If you were around their home at all you know that each child had a color. Their dinnerplate, glass, towels etc were all by color. Kay wanted to make me feel a part of the family and I became the "white"child. Kay was there for me as my parents divorced and comforted me. Her kindnesses will never be forgotten.

I remember all of us loaded in the staion wagon to go to the country club for an afternoon of sledding followed by some hot chocolate when we finished. I remember koolaid and oatmeal cookies in the afternoon when we took a break from playing Samson in "the boys fort". Glenn and I both have so many memories of childhood times with all of you.

We are so sorry that we can't be there for the services, but we share your loss and will be thinking of all of you.

“ I am sorry that I am not able to attend your mother's memorial. She and I have exchanged Christmas cards since I went to college. I felt we had a strong bond, especially since Paul and I were the same age and class. She was such a kind, loving woman. May God comfort you at this time. Love to you all!

“ Kathy and Duane and Family,

You will be in our prayers on Saturday. I am sorry that we will not be able to attend as we are having our Christmas with our children and grandchildren that day. Try to remember on days that you think of your mother the fun and happy times....and she is with the Lord now.

Again, our deepest sympathy.

“ Kathy, & Franklyn & families, I'm so sorry to hear of your Mom's passing. She was a very special caring woman and I know you will miss her greatly. I'm sorry I was unable to attend the services. I pray that you will know the comfort of our Lord and Savior Jesus Christ and that as you grieve your loss He will help you. It was an honor for me to know both your parents and even work with your father. They served their family, friends and community well. As you go through this Christmas may you find hope in knowing it is because of what Christ did for us that we can have hope in one day being reunited with our loved ones that knew Him and have gone on to be with Him. May God surround you with His love and comfort today. My deepest sympathies to you, Juanita (Schwartzlow) Flater
