“ Aunt Phyllie was a very special lady who I have very fond memories of. She always had an immediate smile and spontaneous quip. She could bring a smile to your face faster than anyone I know. She always was a hard worker and I remember her good cooking and immaculate home. I recall I always wanted to go to her home as a kid...usually to conjure up some fun with Susie. I was also honored to be her Godchild and she would greet me, “Hi there Godchild!” I thought that was so special! We will all miss Aunt Phyllie and we have such great memories of her. Rest In Peace now Aunt Phyllis ( my Dear Godmother)...You will be missed!!
