“ *although you don't personally know me, we are fellow humans and have all felt the pain of losing a loved one in death. Please accept my deepest sympathy along with this scripture at 2Corinthians 1:3,4 this scripture helps us to look to the "God of all comfort who comforts us in our time of grief. God has done this for me and my family when we lost our firstborn so a few years ago. The Bible offers a wonderful hope of everlasting life here on the home that God gave to Adam and Eve (Psalms 37:11,29). Also read Revelation 21:3-5, I pray that Almighty God will grant you the peace promised at Philippians 4:6,7. Sincerely your neighbor at Lake Summerset*

“ To the family of Ann, as we know her. She was a wonderful kind woman and was a pleasure to have in our family at Collinwood for the past few years. Each of you have touched us with your kindness in different ways and all of you have been great people to get to know. You bring such a positive spirit, and laughter, to say the least, to all our staff. Please accept my sincere condolences for all your heartaches you have had to bear this year and in recent years. My heart goes out to all of you. We will deeply miss Ann as she was one of the family.

“ *Although we have lost touch over the years, Don, our friendship still endures. We remember our high school years together and later our years after beginning our families. You and Ann have always had a special place in our hearts. You and your family are in our thoughts and prayers at this difficult time.*
