“ Al always had a "cold one" for us passing by on our horses, and a good story to tell of rides past. Rest in peace Al, God's blessings to Judy and Brian.

“ Well Big Guy you have suffered enough and the Good Lord needs a man that can train horses in heaven. I enjoyed all the years we worked together at the "Brake", creating tons of metal chips from our machines. You always had a quick smile and good humor about you. May you rest in peace my friend. Strength and peace to Judy and your family. Norm & Shari Larson
