“ Dear Family of Amy, Words cannot express how sorry we are to
hear about Amy's passing. She was truly a wonderful soul. I am so
glad I was able to see her at the wrestling match a few weeks back
and was able to see her smile and here that oh so familiar
laugh. You all are in our prayers as I know what a close family you
are. Perhaps you can take comfort in knowing she is having
Christmas with Jesus this year. May God bless you and keep you.

“ Although I did not know Amy personally ,I heard about what the town of Brodhead did for her last week. They lighted up the town knowing that see may not make it for another Christmas. When I heard this, it touched my heart. She must have been a very loved person for the town to do this. My sympathies to all whom she loved ,who loved her and those whose lives she may never know she touched in a special way. May God give you comfort and peace as she has gone home to be reunited with her creator.

Sincerely, Donna K. Boyd

“ To the dear family of Amy:

Words can not explain the sadness I feel for you all. Amy was one in a million with her upbeat attitude and smile. She was one of those people you meet in life and instantly are taken to. Her laugh and just wanting the best for everyone in her life. She loved spending time with family and friends. She was blessed with a wonderful family that would do anything for each other. Keep all those special memories close to your heart. May you find strength in being such a close family during this difficult time.

*Love and hugs to you all

“ Dear Bob, Carol and Family of Amy,
There are no words that we can say other than that you are in our hearts and prayers; and we are so very sorry for your loss. It was truly our pleasure and blessings to have had the opportunity to know Amy. It was such a blessing to have her there while we were helping Iva...she brought a peace and light that very few have and we so needed...and no matter how much time had passed between the times that we got to see her, it was always as if we had just been together yesterday. With our love and Deepest Sympathy,

“ *To all members of Amy's family,*

My thoughts and prayers are with all of you in this time of sorrow. I realize you do not know me, but my husband and I knew Amy as we bought our trucks from Ayres. My husband (Jim) passed away in February after having only a 6 month diagnosis with the cancer and we had talked to Amy on several occasions about herself and her battle. She was always a happy and delightful person on the other side of that desk when you came into Ayres. You as parents and sons of Amy are so fortunate to have had those special years with her. She is now an angel and will always be there for all of you. I will keep all of you in my prayers.

“ I was very sad to hear of Amy's passing. I grew up with her and graduated Brodhead class of 85 with her. Our birthdays were only a day apart.

Even though I hadn't talked to her in years I remember her as a gentle soul and someone who will be dearly missed.

My thoughts and prayers go out to her family during this difficult time.

God Bless

“ TO: Amy's Family and Friends

I'm sorry to hear of your lose! I went to school with Amy. The thing I remember about Amy is her SMILE :)! The memory of her smile has been embedded into my memory and I'm sure with those whom had contact with Amy. A smile and kind hearted person can never be forgotten by those whom they touch, whether it's by a smile, a knod of the head or simply saying hello. My heart is saddened. I hope you all know she will never be forgotten, even as time passes.
