“ Dear Mary and family,  
I want to express my sympathy and love at the loss of your father. Mary, I enjoyed hearing stories about your dad, and you described the way he always placed others before himself. This is a legacy that you carry on because you are the most thoughtful and caring person I have ever met. My thoughts and prayers are with you and your family.

Love,  
Phyllis

“ Lets remember all of the amazing memories we have at the lazy C farm. If I close my eyes and remember my childhood I'd be in the kitchen at the farm with Yiayia cooking and Papou in his chair. I couldnt have asked for better grandparents

*Papou you have touched so many lives and will truly be missed*
