“ I will always remember Arlene as a truly kind person. My ties to the family go back quite some years. I rode motorcycles with Rollin at the age of 11 or 12, was a classmate with Karla, and later best buds with (Booper).

I will never forget Arlene mostly for being the first person to knock on the door with food after my Dad passed away in 1989, and my Mom in 2003. Those are memories that will never fade. A true American Lady !

“ *I'm so sorry to hear of this so soon after Derricks passing. I first met Arlene when she played in my father's band and we have been friends since even though we did not see each other on a regular basis. I will remember Arlene for the friend she was and miss her as time goes by.R.I.P my friend.*
