“ Barbara was always upbeat when I talked with her long distance or when I saw her in person. She always expressed her love and appreciation for my brother and I was so thankful for that. Barbara will be missed but she no longer has to be tormented with that awful pain.

“ Heaven will get a special angel when Barb arrives. Barb was one of the most caring and thoughtful person I ever met. She was so good to Ray cooking and baking what he enjoyed eating. A piece of me died when Barb left this earth. I will miss her terribly. Soar with the angels in heaven Barb and let everyone there see your smiling face.
