“ *Our sympathy goes out to her family, during this difficult time. May you find strength and comfort from each other and the loving memories you share. She was an amazing lady. In 1986 when we moved to the area, Betty, Gerald and their family made us feel welcomed and a part of the community they loved so much. Her greatest joy was her family and friends. I never saw Betty without a smile on her face. We feel blessed to have know her.*
