“ My sincere condolences to the boys and grandchildren. Betty was an amazing person. Her house was always as neat as a pin. She loved to cook and bake. We used to go out to lunch. In her later years, I would go to her house and she insisted on making me lunch.

She loved to entertain. She told me many stories about her life experiences. She wrote many letters to me after I moved out of the area. I will miss her. She will remain in my heart forever. She's with Erv now.

Prayers to you all
