Although you do not know me personally as a fellow human you
have my deepest sympathy. all of us know the pain of losing a loved

“ That is beautiful Dennis. She always said you two grew up together. She loved us all unconditionally. Even though she had a few bad years and times with people, she just wanted it to be done and over and I think she forgave so many. Love you Brother..

“ *Dear Dennis and family,
I just wanted to share my condolences for you and your family. I knew you back before you joined the Marines Dennis. I ran around with Sue Rufer and was from Juda. I was so sorry to hear of your mothers passing, it seems it was not so long ago you lost your father. My parents have been gone for some time now and I know how hard it is when we lose them. Hugs to you and your whole family.*
