“ Beverly, I'm so sorry to hear of the loss of your mother. Though I didn't know her very well, I know that it is difficult to lose a parent and so I just want you to know I am thinking of you and your family. May the love of Christ help you through this time especially with Christmas and so many other activities going on it makes it harder to go through this loss. But it is because Christ loved us that we celebrate Christmas. Though this is a family time type season and it makes it harder to not have our loved ones with us, it is this very season that gives us hope of one day being reunited with them. May you share that hope today and know that many are praying for you to be comforted. May His peace and love heal and comfort you today. With deepest sympathy, Juanita (Schwartzlow) Flater
