

Beverly Eunice Curtis

November 20, 1947 - December 25, 2025

Brodhead, WI - Beverly Eunice Curtis, age 78, passed away on Thursday, December 25, 2025 while surrounded by her family at home after fighting a brief illness.

Beverly was born in Laona, WI to Arthur and Eunice Knoke on November 20, 1947. She graduated from Crandon high School, while working at the local motel as a maid. Shortly after high school she moved to Rheinlander where she started working at Red Dot. Red Dot is where she met Clyde Curtis. They married on February 3, 1967. Beverly went to work for Army & Ammunitions in Freedom, WI when they moved to the area before they settled in Brodhead, WI in 1972, where they have been lifelong residents. Beverly was a homemaker and also worked for the Janesville Gazette as the local newspaper lady from 1984-1986. Beverly returned to the workforce at Swiss Colony from 1987 to April 2002. After retirement and helping raise their grandkids, Beverly could be seen working at the Independent Register, Brodhead Elementary school from 2006-2021, and the DL Newcomer Funeral home from 2015-2025. Beverly was an avid reader, crochet for making blankets and towels, and canning from the garden. She loved baking and taking treats to neighbors, friends, and coworkers. She enjoyed her "Thelma & Louise" trips with her daughter and granddaughters, camping, many trips with Clyde and visiting family and friends.

Beverly is survived by her husband, Clyde Sr.; three children Clyde Jr (Amy) of Whitewater, WI, John (Pam) of Janesville, WI, and Kimberly (Jason) Carlisle of Madison, WI; seven grandchildren and two greatgrandchildren; her brother Kenneth and lots of precious nieces, nephews and friends that seem like family.

Beverly is preceded in death by her parents, a sister and brothers.

In keeping with Beverly's wishes there will not be services or a funeral. The family will be having a private celebration of life in the spring. We would like to thank the BAEMS, Fire Dept. and Agrace staff especially Nurse Ken and the neighbors, we could not have brought mom home at the end without you.

In lieu of flowers, the family requests no flowers at this time.

“ *Bev has a heart of gold. She was a long-time employee of The Independent-Register/Register Print Center, while owned by Kim Markham and was an employee of the Register Print Center when it was owned by new ownership. She was a great employee and a great worker. Bev was very funny and had the whole group laughing numerous times. She loved to bake and spread her cooking treats and cheer to everyone she knew. She liked to make others happy. She will be greatly missed. Certainly a beautiful and wonderful person inside.*

“ *I'm very saddened to hear of Bev's passing. I may have only known her a few short years but it felt like a lifetime. She always made me feel welcome when I was around her. Loved her laugh and listening to her stories. She had a wonderful spirit and caring heart. Spending time with her a few months ago will be a cherished memory. RIP Beautiful Lady 🙏*

Bev was the kindest most generous neighbor. I will miss her very much and the short conversations we would have her in her Jeep and me outside with my dogs. You will be missed on McEwen Street. My thoughts and prayers are with Clyde and his family.
