

Beverly Deininger

April 27, 1939 - September 19, 2022

Brodhead - Beverly Deininger, wife, mother, grandmother and lover of life, laughter and flowers, passed away September 19th, 2022. Beverly was born in Decatur Township, Brodhead Wisconsin on April 27th, 1939 to Clifford and Hattie Hintzman. Beverly was raised on the farm with two older brothers. She attended Badger School and Brodhead High School, graduating in 1957. She worked at the Green County Bank until she married. Bev met Virgil Deininger at the popcorn stand in town, and married on October 17, 1959. Together, they raised their daughters Cheryl, Michelle and Shannon on their farm in Spring Grove Township. They retired from farming in 2019, when they built a new home in town.

Beverly was a woman of craft and was truly artistic and creative in all that she made, making everything with deep detail and precision. She was a quilter, sewer, crafter, amongst her many other artistic endeavors. Beverly had many beloved hobbies which she enjoyed teaching and passing along to her kids and grandkids. Beverly made each of her grandchildren a quilt for their graduation to send them off to college wrapped in her love. She was also the Spring Grove 4-H sewing and home furnishing leader. She had a natural talent and passion for flowers, and her green thumb was displayed in brilliant flower gardens that she tended until her death. Beverly was part of the Bluebird Association and was 70th in the state of Wisconsin for fledgling bluebirds. She had several bird houses around the farm and loved tending

them and showing the baby bluebirds to her friends and family. Beverly was an avid reader. Her interest in history, including local schoolhouses and cheese factories was shared through writing and teaching.

After raising their children, Beverly worked at The Gift Castle, Ahrens Acres and Ten Eyck Orchard. She was a member of the CBS Homemakers club and the Brodhead United Methodist Church. Whenever anyone encountered Beverly, she was a friendly face and big personality. Her fiery spirit and big laughs were passed on to everyone that had the luck of meeting her.

Beverly was a force for gathering her family and was always the center of every game and conversation. She loved creating a beautiful and loving home for her family. These memories are held dear by her children and their husbands: Cheryl Deininger (Donald Maas), Michelle (Tim) Osterhaus, and Shannon (Dave) Kunstman, grandchildren: Mitch and Maggie Osterhaus, and Ella, Sophie and Josh Kunstman and a brother, Laverne Hintzman. She surrounded her entire family with deep love and pride. She was preceded in death by her parents, brother Robert Hintzman, and sister-in-law Arleen Hintzman.

Beverly's bravery and grit throughout her life's hardships and health struggles will always come to mind for all who knew her. She faced each adversity with a positive attitude including the loss of her leg in 2019. She was the face of resilience and always reminded her family that "she had more living to do!" Her prosthetic leg will be donated to Limbs for Life.

The family wishes to express deep gratitude to the many healthcare workers who touched and cared for Beverly over the years. We especially want to thank the staff at SSM Monroe Hospital ICU for their compassionate care extended to Beverly and her family.

A memorial service will be held at the DL Newcomer Funeral Home in

Brodhead on Friday, September 23, 2022 at 2:00 PM. Upon completion of the services, family and friends will be invited to gather at the Kelch Aviation Museum in Brodhead for food, refreshments and a time to visit with the family from 3:00 PM to 6:00 PM. Burial of Beverly's cremated remains will take place at a later date at Greenwood Cemetery in Brodhead.

In lieu of flowers, donations will be forwarded to Limbs for Life Foundation and The United Methodist Church.

Beverly's strength and friendly smile lives on in every person she met. We will continue to look for the good in life in her honor.

“ My memories of Beverly go way back. Our families both lived in Decatur township and attended Badger School. Beverly was 5-6 years ahead of me. In a small school like that (maybe 14-20 students max) I really looked up to her as an "upperclassman". In those days, our recess passion was a good old softball game. When we played other rural schools, the competition was intense. I remember Beverly batted after me. She swung a big bat! I knew if I could just get on base, I would get home because Bev would knock it out of the park!

I extend my sympathy to the whole family. Beverly was a blessing to so many people! Love and prayers as you celebrate her life.

“ Even typing Beverly’s name brings a smile to my face. OMGosh — what a force! Always welcoming, always giving, always an inspiration on how life should be lived. Luckily, the world has her 3 amazing daughters to continue on with that powerful heartbeat. I am grateful to have known Beverly and her family; hugs to you all.

Bev was a wonderful neighbor for the 5 years we lived in Brodhead. She would come over on her ATV with flowers & fresh vegetables from her garden, a welcome sight. Hugs & prayers for the family.

“*Dear Shannon, Dave and family- It was such an honor to know your mother. Living near Shannon in Madison, I met Bev at the many family gatherings Shannon hosted over the years. Bev was so proud of her kids and grandkids. She beamed! I was lucky enough to get wonderful garden advice, share laughs, view her quilts and reminisce about her upbringing near mine in southern WI. She was SO creative, funny, strong, loving and vibrant. Bev certainly passed her creative passions and talents down to all her kids and grandkids. Our thoughts and prayers are with you at this time.*
