“ On behalf of my wife Tami, our most sincere sympathy is extended to Bev's family. Have many memories with Bev n John, going back many years. It didn't matter when or how our paths crossed, they both was always the same, friendly n genuinely welcoming, both good people! Bev was an incredible gardener n preserver, she knew how to do both, n very good at it! She was a kind n generous friend, Bev's been there for many in their time of grief! In the world today, many of us are considered "priviledged", knowing Bev n John, n her family, in this respect, admitting we both are! Rest in peace Bev!

“ Lori & Dawn,
I worked with you two at caring hands. I
remember your mom coming to sentry
shopping. Very sweet, hard working lady. I
could see where you girls got your work ethics.
Thinking of you in this difficult time.

“ OMG I have a so many good memories of Bev when we worked together at the Victorian house. She loved the residents and me! She cooked and baked and did so many individual things for those who liked special foods. She made the best sugar cookies ever! They melted in your mouth. Her heart was so big and she was so kind and funny! She loved to laugh!! I enjoyed working with Bev because she was so caring, funny and she loved what she did. There will never be another "Buffy" as she was so fondly known as. Rest in peace my dear friend. I will never forget you and our fun times together and I will miss you ❤️. Til we meet again sweet lady
