“ Carol loved her husband and her family with all she had. She was one of the sweetest person I have ever met. My family was grateful enough to be able to share many celebrations with her. (Birthdays, Christmas etc.) At every gathering I would jokingly give her a hard time for making a plate of food for her husband. That is who she was and what she loved to do. She will be greatly missed. Our thoughts and prayers go out to the whole family. She is in good hands. May God watch over her family and help them heal from their great loss.

“ I had the the opportunity to interview & hire this wonderful woman. She worked for me for years at McDonalds. She was an asset to my opening crew - very dependable, efficient & had a great sense of humor. Thru the years I was also fortunate that we became friends. She will be dearly missed. My heart goes out the the entire family - you are in my thoughts & prayers.

We are so sad, heartbroken and do not even have the words to express our feelings. We are so sorry. She has left a big hole in our family. We have no words. All we can do now is pray and that is what we are doing all the time. When trials and trouble come all we can do is find comfort and peace in God and the promises of His Word. She was a treasure in our family all these years touching all of us with her acts of kindness and thoughtfulness. Our love to you John and Mary and Johnny and their families.

“ *So sorry to hear about Carol's passing. Carol and I became friends when she worked at her "retirement" job at McDonald's. Such a caring, loving person with an awesome outlook on life and a great sense of humor. Carol made so many contributions to many, many lives. She led a purposeful life in the service of God and her family. I am honored to have known her.*
