“ I am so very sorry for your loss. I loved Aunt Carol. I remember Christmas time, always joy, lots of hugs, lots of smiles. Aunt Carol found me on facebook, and we talked alot at first, and she helped connect me with all of you. As the story goes, work, life, etc. No excuse. Your mom was a true angel, and I wish I could be there in person with you tomorrow. Just know that I am with all of you in my heart and soul. All my love.

“ Carol was my cousin (her Dad Victor and my Dad Ernest were brothers) and lived just up the street from me but we still didn't see each other often. Talking on the phone was our way of staying in contact. As little kids I remember all of us cousins outside at our Grandpa and Grandma McCaffrey's playing Fox and Geese in the snow. We always had fun when we were together. I want to let her family know that they are all in my thoughts and prayers and when times get hard, to hold onto their precious memories of Carol. They will help you feel better and now you have a guardian angel that will be watching over you all. God Bless.
