“ Carol was one of the special ones!. She loved to joke and laugh and just have a good time. She watched out for everyone but herself. She loved music but cried sentimental tears every time Johnny Cash played or Lee Greenwoods "God bless the USA". She had a very good heart and a very kind spirit. She will be deeply missed by all of us who cared for her and knew her at Collinwood. She was a special lady! My deepest condolences go out to her entire family.
