“ I went to school with Charlie in Belvidere and always remember him as such a nice guy. He was my first boyfriend in junior high and would walk me home from school. My prayers go out to his family.

“ So sorry to hear about Charlie’s passing. I grew up with Bob and Charlie playing army soldiers and then running CC together. A long time ago when Charlie worked for Cable he came to our house and my little kids couldn’t figure out how i “knew” the cable guy so well. Once again my sympathies.

“ So very saddened to hear this devastating news. Charlie was an amazing neighbor and always had a hand in the air to wave as we passed by. He had an incredible sense of humor and the love he showed and shared with his grandchildren was beautiful! We will miss you Charlie! Hugs to you Annette and your entire family. With love, The Manley’s
