“ We are so sorry to hear of your Mom’s passing. I love the picture of Charlotte you posted. It is exactly as I remember her. I remember going to your house when you lived in Orfordville, riding my bike over from the farm, eating raspberries from the bushes, just hanging out. I always felt welcome and your Mom was the reason. Wendy and Tom

“ I remember when Charlotte brought you all out to visit us when we lived in Attica near Monticello. We had school that day but you did not and you all surprised Wendy, Robin and myself when we got off the bus. We played kick the can all afternoon and nite. I had a great time. Charlotte had a very warm and lovely smile and worked hard for her family, raising her children and working the family electrical business. May God bless her and comfort her family as everyone celebrates her life.

“ My sincerest sympathy in the passing of your mother. Charlotte was a great sister-in-law. I always enjoyed her ready smile and optimism. “ I first met Charlotte and Andre while working at Tebo's Pub in Orfee years ago - they both always ordered their walleye "double fried" and told me that Jim or Carol Thibeau would know what they meant :) Absolutely lovely people - and I am so sorry for your loss.
