May God comfort you as you think of him in heaven with Jesus; knowing we will be there someday too...to enjoy being with Chris again; to enjoy being with all of our loved ones that are there; & to enjoy all of heaven's happiness.
Growing up with Chris; being the same age & having birthdays two days apart; he was someone who was always nice to be around. He was a person who always had a smile & could always make you smile too. He had a great personality; full of friendliness & genuineness.
There is no greater comfort & hope than knowing we will see Chris again & be with him again, forever in heaven.

I would like to express my condolences for the loss of your loved one. The Bible refers to death as an enemy and that it is.
