

Christine Marie Elmer

April 21, 1984 - December 31, 2023

Brodhead, WI/ Loveland, CO - With sad regret, we announce the passing of Christine Marie Elmer, 39, of Loveland, CO. Christine was born in Oklahoma City on April 21, 1984.

Christine spent her early childhood in Half Moon Bay, California before her family relocated to Monticello, Wisconsin, where she spent the majority of her grade school years. Though she attended high school in Cape Coral, Florida, she completed her final semester in Brodhead, becoming a 2002 graduate of Brodhead High School in Brodhead, Wisconsin. A natural beauty with a vibrant, adventurous attitude, Christine created a life that she was proud of and thoroughly enjoyed. As a young adult she lived in various locations including Girdwood Alaska, where she discovered her love of travel and adventure. She earned her associate degree in environmental engineering at Colorado Mountain College in Steamboat Springs, paying her own tuition and working full time as she attended classes. The yearning to be a homeowner and further establish her life and career brought her back to Janesville, WI, where she bought a small house with a big, fenced yard for her dog. She later realized she missed the mountains and their promise of adventure, so she sold her house and purchased her own Rocky Mountain getaway. Throughout Christine's exceptional life, her travels, either solo or with family, took her to Thailand, Costa Rica, Italy, Switzerland, France, the Netherlands, England, Barcelona, Mexico, South America, Peru, Belize, Greece, Columbia and

Africa. Christine was employed by the City of Loveland Power Department as an Electrical Designer and thrived in her position. She thoroughly loved her job and her work family, many who went above and beyond to offer their assistance in her time of need. Upon learning she had little time left, she immediately chose to spend it with family. She and her dog, Max, came back to Wisconsin where they were enveloped in the love and comfort of a large and boisterous family. The many precious moments, raucous laughs, jeep rides and dirt bike lessons provided by Christine will forever be cherished.

Christine is survived by her father and stepmother, Jerry and Ann-Marie Elmer of Magnolia, WI; her mother, Cindy Elmer of Three Rivers, MI; her siblings, Christi Rusch (Jason Cleasby), Courtney Elmer, Cassie Elmer Gonwa (Ryan Gonwa), Nick (Danielle) Elmer, Kiah (Neil) Rashke, and Derek Tulla; her nieces and nephews, Roman Gonwa, Jack, Ali, Brielle and Scott Elmer, Oliver, Evelyn and Gerald Rashke; her grandmother, Jackie Elmer; step Grandparents, Frank and Carol Gombar; several aunts and uncles; an honorary Brother, Christopher (Andrew) Renehan-Hoster ; a beloved dog Max and many other friends and relatives.

She was preceded in death by her grandfathers, Earl Elmer and Tad Lenczycki and Grandmother Doris Lenczycki.

Private family services will take place at a later date. Burial of her cremated remains will also take place at a later date at the Maple Hill Cemetery in Evansville, WI.

The DL Newcomer Funeral Home in Brodhead, WI is assisting with the arrangements.

“ I am so sorry for your loss. I was fortunate to get to know Christine and work with her for about two years. She will be greatly missed at the City of Loveland. All the time I have known Christine, I never saw her in a bad mood and she was always friendly and professional. I have not known anyone that has fought like she did and not ever act down or angry. Christine had a great nature about her and I will miss her a lot. My thoughts and prayers go out to her family and friends.
