“ *To Christy's family she was one of the good ones and will be missed dearly 😞. Another from the class of 87 gone to soon. I may have not kept in touch, but we did run into each other a couple times and it was like no time had past..... Fly high my friend I will remember the fun times cruising Brodhead in the cold with the windows down, because we thought it was cool to still be able to let everyone hear our music 🎵 80's rock. Rest in peace 🕊️ I will remember you always 😊*
