“ We are sorry to hear of your loss. I'm not sure if we had met him in the recent past. I am a cousin from Monroe WI. My dad is Phillip A. Mueller...he passed away in 2001. I organized a DeRemer reunion several years ago here in Monroe and we still attend but it is now held in Brooklyn WI. We send our condolences to the family.

Sincerely,

“ My sincere condolences to Dan's family. Judy is a sister-in-law from a marriage to Dan's brother Quenton. Dan worked for Nik at Swiss Colony and was indeed one of our best and dependable employees. We are sorry for the loss to all of the DeRemer's. Dan was a special guy.

“ Linda, Melanie and family - I am so sorry to hear of my Uncle Dan's passing. I know his illness was long and his fight was courageous. We have held you in our thoughts over these last months and I so enjoyed hearing of my family's visits to see him. What came across so clearly was how loved he is and by such special people. I hope your fond memories bring you comfort during these difficult times.

Much love from Colorado.

“ I am so sorry to hear of your loss. I am sure we met way back when we all went to the DeRemer reunions. My dad was Marion Mueller from Monroe. I have lost track of so many family members and it is really too bad to loose the family history. Again I am so sorry and my prayers go out to you. Kathy Stickfort

“ I am saddened to hear of Dan’s passing. He was my first best friend when I moved to Monroe at the start of 3rd grade. I fondly remember summer days we spent getting on our bicycles, fishing poles across the handlebars and tackle boxes in hand, peddling our way to a local creek or pond to go fishing. I am sorry that our lives and careers took us in different directions. The last time that I spent with Dan was during summer break when I rode along with him for a day as he made deliveries in Chicago. Though I am saddened and sorry, I am thankful for the memories. May God enjoy his company as much as we did and comfort loved ones left behind.
