“ Dr. Nelson and family, we express our heartfelt sympathy. We so remember so many good conversations, with Darlene, at your office, before Debbie worked at the receptionist desk! She always had such a beautiful smile, and loved talking about her children, when she became Grandma! How proud she was of her lovely family !

May Gods love and Grace , help you through the days ahead ! Dr. Nelson, I send to you a very special hug ! You are in our prayers !

“ My dear Andrea, I am so sorry to hear about the loss of your Mom. Moreover, how I wish I could be in town to hug you tight and cry together. Since I got this sad news I have not been able to take my mind away from you and your family. I feel your pain and sorrow and try to get the strength to prepare myself when I face similar situation. The situation with my Mom is a bit hard right now and I am trying to enjoy her presence in my daily life the best I can. I hope you and your family get over this big loss, as you still need to watch over your dad. May the Lord grant you the faith and strength you need now, and finally accept that she is happier and relieved from pain in the House of the Lord. Mario and I send our deepest sympathy and have offered a Mass for beautiful Darlene to rest in peace. Blessings and many prayers for you and you family. Love you always, my "angel" friend ! Ximena :(
