“ Chuck, Laurie, Troy, Scott and Barb, I want to express my sympathy to all of you at the death of Dar. I remember him fondly from the early days and years and as a little kid thought he looked like Elvis. It has been years since I last saw him but we always had a good conversation whenever we met.

You will be in my thoughts and prayers. I am sorry that I could not make the wake or the funeral. I hope to see you all soon

Love Mike

“ *My most sincere condolences on loss of your beloved Dar. Although He was a couple years ahead of me in high school, we were friends for many years. I remember well some of our poker games at Werner Wiesenflue's place on Monday nights. We had not seen each other in many years but I have often thought of Dar with a great deal of fondness.*
