“ Don and his wife were amazing 4-H volunteers and leaders. He dedicated his life to his family and it was hard to watch him decline in health but he always had a smile for you. My prayers to the entire family. You had a great dad thanks for sharing him with so many others. May his memory make you smile in the tough days ahead.

I have three wooden articles that Don made. Two of them were for our family reunions, so there will be many people who will have memories of him through his woodworking talent. May you be comforted in knowing that your loved one is in a beautiful place. And, may your many memories of him comfort you in the days ahead.

I am so very sorry to hear of Don's passing. He was always so thoughtful....he would bring me breakfast or lunch when he knew I was working a Saturday or bring me the grocery ads when he found out I didn't get them anymore. He remembered the little things.....Blondie will miss him
