“ My condolences to Don's family. I will always remember the beautiful gardens he planted and maintained. He was truly gifted with a "green thumb"! I will also never forget his delight at the birth of his first grandson. I saw a joy in his eyes that day that I will never forget. My sympathies to all of you. God bless you. Julie

“ I miss you Dad. Thank you for all the kind things you did for me. The headstone you & Carol bought us for my daughter Kelsey was something I will always be so grateful for. Most of all I miss our talks when we were alone together. Love you always!
