“ We were so saddened to hear about the death of your father. He was a wonderful man. We meet him while running the pizza place at the Outpost Pavilion in Tellico Plains TN. We became good friends right away. He would come in almost daily to hang out, get a drink something to eat and socialize. Along the way he made many friends whom still come in and ask about him. What sense of humor he had, not to mention good luck with those scratch off tickets.:). We just wanted you to know that he was loved by many people as you probley already know. Your father was a great man , whom expressed his love for his children and grandchildren...not to mention sammy his little dog. That dog was a hoot. We wish the best for all of you and may your heart be filled with joy knowing he loved his life, and you.
