We were so sorry and shocked to hear about Don and wish we could be there for the service. He was such an inspiration with all of his dedication to Yvonne throughout her long illness. We were neighbors for a long time and he will be missed. I will always remember his laugh and his Yes Dears to Yvonne. Our deepest sympathy to everyone, Ann and Paul Lewis

“ We have been out of town but heard the sad, shocking news. They were wonderful next door neighbors and friends. They were a big part of our sons' lives when they were growing up in Brodhead. When our oldest was about four years old he wanted to call the North Pole, so I dialed Clarks and asked for Santa. Without missing a beat, Don pretended to be Santa. What a great guy! We miss them both, but are glad Don and Yvonne are together again.
