“ *I am so sorry to hear of Don's passing. I have so many great memories growing up at the stockyards and hanging out with Don and my dad. What I wouldn't give to go back and do it all over again. I'm sure that Dad, Mike and Don are all up there talking about the markets and reminising of old times. My thoughts and prayers to all of you and a special "Big Hug" to Betty*

“ *My prayers and thoughts go out to Betty and her children Don and Jon Condon. Loosing a Dad is such a big thing and we are never ready for that day even if it is sooner or later. My sister Linda was very close to her father-in-law and I know she will surely miss him. Give Betty a big hug. May God's peace and understanding hold you up and keep you all strong.*

“ *Betty, Don, Jon and families,
I'm sorry I was unable to attend the services, etc. Don was an outstanding part of the Brodhead and surrounding communities. He served well in whatever he did. I was so honored to have been able to visit with both him and Betty and Jon at Marybelle's not too long ago. I'm so glad to know that both Don and MaryBelle are now with our Lord. They are the fortunate ones but now we must go on to continue serving Christ until He returns for the rest of us. My prayer is that you will know Jesus' comfort and love as you go through this time of grief and especially that as you celebrate Christmas it will be special this year in knowing that because of what Christ did some 2000 years ago we can have the hope of some day being reunited with those that are with Him now.
My deepest sympathies to all of you, Juanita Flater*
