“ *June bug was such a friendly kind soul and loved to laugh and share stories! I don't think I ever saw him not smile and he had a great smile! I really enjoyed when he occasionally stopped by my house when he seen me outside and we'd have to share a whiskey together! He'd like to share stories and just chat for a bit. I enjoyed that and looked forward to him stopping as he seen me outside .I'm sure going to miss that. My heart goes out to the family and he will sincerely be missed. ❤️❤️❤️❤️*

“ *My deepest condolences to Don's family. I will miss his pranks he loved to do to me when I was grocery shopping. I always found extra groceries in my cart and someone laughing down the next aisle. We always had to talk for another 20 minutes to catch up. He was just so much fun and always had stories to tell me. RIP Don you will be greatly missed by many!*
