“ Terry, Jason, Sara, and families, Was so shocked to hear of Donna's passing. I knew her from church mostly and it seemed to me she had a deep faith life. She loved her family dearly, and tried to help wherever she could. May your many happy times spent with her help you through the coming days. She will be missed, but I am sure she is looking down safe in the loving arms of her God.

“ I am so sorry for your loss. Its been several years since I last seen Donna but she always had a smile on her face, willing to take the time to chat and was such a kind and wonderful person. I remember Terry at the bait shop and Donna stopping in some times when we happened to be there... I remember Donna and the wonderful job she did for me when I was in the hospital years past. Again, I am so sorry for your loss and my prayers will be with your family for many years to come.
