“ I couldn't believe it when I saw the paper today! Dewey was quite the character to be around as we were growing up. He was always laughing and joking. I have so many good memories of things we did as teenagers that I smile when I think about it all. I am so so sorry to hear he has passed, and shocked. It has been years since I have seen him but I know even if a lot of time passed since we saw each other, that the minute we did, we would be reminising about all the goofy things we used to do and we would both be laughing. I am saddened by the news and wish you all my deepest sympathy. He was quite the Dewey as you well know. Remember the good times!
