“ Elaine had a beautiful soul. She didn't have a mean bone in her body. You hardly ever saw her without a smile on her face. I remember her always taking pictures. She loved life and captured it with her camera often. She will definitely be missed. Heaven is blessed to have her.

“ I remember her and her dimes. She and I were going with Grandma and Grandpa to Janesville when we were kids and I had a dime to spend. She offered me three nickles for it and I said no. She explained that that was more than my dime so I gave it to her.
