“ I was one of Millie's caregiver's at Collinwood Elderly Care. I was so sorry to hear that she passed away. She had such a great personality and a very positive outlook on life. She was an inspiration to me and so many of the other girls who work there. She was always making jokes and making us laugh. She was not just a resident there, but good friend to us all and she will be missed dearly. May you find peace in knowing that she touched so many lives right up until the end. Her memory will live on.

“ Just like the another condolence on here Millie was more of a friend than a resident where I worked. I missed her a lot after she left the Village at Manor Park. She was so sassy and some real zingers could come out of her mouth!! We got along so well. Also missed her family stopping by. Kathy and Greg you both were so good to her. We still have some of her "snowflakes" hanging up at home! She was one in a million. May she rest in peace. Jeanne
