“ Enid was such an amazing person. She was always happy, boisterous and brought joy every where she went. I have such wonderful memories of her when she cared for my grandmother in our home. We had amazing talks after I got home from school. She simply cared for people and you could sense it just with her presence. She was a joy to be around. I will always remember our adventures from catching loose monarch butterflies / caterpillars that had snuck out of their aquariums to frantically rushing getting ready for Christmas Eve. I am so very sorry she is gone. She will always hold a special place in my heart. My thoughts are with you all during this difficult time.

“ *We are saddened by the news of Enid's passing. We have such fond memories of Enid, of when we lived on the farm on hwy 81, and when Enid would stop in for a short visit, and how Steve would kid her about her "Mable Taters" and we still have them today. We remember waving to her & Mac on Mount Hope Rd passing by Bluff View park on a warm summer day, as they cruised passed in their 65 Chevy classic. She was a very caring, and fun to be around! She was such a amazing lady! We will miss her very much. Our deepest sympathy to the Frie, Taylor & Brown families. Our prayers are with you all.*

“ Mac and Family,

*I want to sent my deepest sympathy to all of the family. I have had the privilege to be apart of the Frie Family for as long as I remember. You will never find anyone more caring than Mac Frie and Enid was the perfect complement as she was a wonderful person and that warm loving smile! Remember the good times... It helps me with my Dad's passing... And Uncle Jim with the "Elvira costume" should bring a smile to your face. May God hold all of you close in this time of need. Steve*
