Fred had many hobbies. He enjoyed and took immense pride in his gardening and landscaping at their home. Fred and Joel enjoyed many deer hunting camps together and often shared lively and adventurous stories, though many details were left untold. He also enjoyed traveling, golfing and enjoyed the many convertible trips and organized fun rides they did with friends and family. Also, who could not forget the 33 years that he and Ann spent on the mighty Mississippi River at the Dubuque Marina with their extended family on the K & I dock.

Fred was also excited to be able to experience an amazing journey with the Badger Honor Flight program recently with his daughter, Julie. It was definitely a trip neither of them will forget.

Fred was best known for his spirit, singing abilities, being a tough Marine, his love of boats and maybe a little Korbelt but most of all his white pants for every occasion. If you would like to join the family on his day of rest, please feel free to throw on some white pants!
