“ *I am so sorry to have read of your loss. Please accept my sincere condolences. Something that I have personally found to be of great comfort is what the Bible says at John 5:28, 29 as well as Revelation 21:4. These verses show us that soon God is going to bring about a resurrection of our loved ones as well as do away with all causes we have for suffering including sickness and death. Knowing this has always comforted me and it is my sincere hope that these thoughts comfort your family as well. Again I am so sorry for your loss.*

“ *Fritz was an inspiration to many as he lived life beyond his
disabilities. I can remember him and Paul having many discussions
about city policies and much more. I'm sure they must be having
more conversations now as they enjoy eternal life with the Lord.
May God comfort you as you grieve the loss of him here on this
earth and may the Lord give you peace and surround you with love.
My prayers and deepest sympathies are extended to each of you
that loved Fritz. Blessings, Juanita Flater*

“ When I heard of Fritz's passing I thought of two things: A man with such love and passion for bluegrass music and a grandparent who never missed any of our (Mike's) softball games. Fritz and Donna help raise Mike and were so proud of him! Well Fritz, you molded your grandson into a respectful successful young man and husband. Mike has been a huge impact on my life! Thank you.
