“ Geri was as kind and caring a person as I have ever met. My family was privileged and honored to get to know her and spend time with her. Though we are left with many fond memories, we miss her and her smile. With much love, the Kennedys; Linda, Jess, Jay, and Buckwheat. ❤️

“ Geri was always a reliable and caring CNA at Evansville, always ready and willing to help and could be counted on and trusted. She was proud of her family, and I remember various species of sunflowers she would bring to work and share. I will always enjoyed watching Geri and Chuck dancing - a great couple. My sincere sympathy to the family. May warm memories remain in your hearts.

Not only was Geri exceptionally caring , hard working & dependable as a CNA, she also shared her talents as a beautician, from time to time, helping our residents to look & feel their best. On more than one occasion, staff had planned special events w/ one being an individual photo shoot of each our residents. Geri was one who volunteered to come in and help get our residents ready. She was always ready to share what her grandchildren were up to & where she was headed to watch them in their activities. I have many warm memories of Geri & I pray for comfort and they you as a family would share your stories of her.
