“ *Ted, Suzette and Doug:
I am sorry to hear of the loss of your mother, Gloria. I had been on a bowling league with her and her mother. She always had a smile and a "hello" each time we saw her. She was a very nice person to have known. She will be your shining star and continue to guide you each and every day. Take care and remember the good times you had with her. Judy*

“ *Just read that Gloria passed away. A lot of memories came flooding back. I grew up across the street from the Paulson's and my sister, Helen, and Gloria were best friends. Since I was the "little sister", the two of them always planned my birthday parties. Also remember her pony that was tethered on our side of the street. She was always so attractive and I loved her dimpled smile! My condolences to you all as you grieve the loss of a special person.*
