“ Dear Griffin Family,
I am so very sorry to hear of Greg's passing. I haven't seen him in years but I have such good memories of him. I remember playing games like 'four-square' with Greg in school. He was everyone's friend and so funny! He left a positive impression on everyone he met. He was such a "good" guy!

“ I have known Greg since 1st grade, and remember him always being very sweet. I moved after our sophomore year in HS and lost touch with him. I remember only positive and good things about him, one of the good guys as a teenager. Always able to make me smile, and still makes me smile when I think about growing up in school with him. I am so sorry for your loss, and send all my prayers your way.
