“ *Helen was one of my best friends. She had a smile and laughter that was very contagious. She would give the shirt off her back if you needed something. She was very thoughtful but a very private person. Going to miss you dear friend. Say hi to Kay, Helen R and Mavis.*

“ My thoughts go out to the family. Helen always loved with open arms- always treating me like a “bonus” grandkid. I also enjoyed her playful spunk. RIP

“ I am so sorry to hear this. When I think of your Mom, I remember her big hugs. I am not a hugger, but that never mattered to her. From all the trips to the cabin, to the weekends at the “40,” to that little red Fiat cruising through Brodhead, those are the memories that always come to mind when I think of her. Losing a parent is never easy, but I hope you can find some comfort in knowing how loved she was and how lucky you were to have her as your Mom. Those memories — and the way she made people feel — will stay with all of us forever.
