“ Jim Deppeler (Helen and Fred's son) and I were in grades one through eight together, most of the time just the two of us, at Poplar Grove School, and then graduated together at BHS. Though I now reside in Columbus, Ohio, I enjoyed what has become my final visit with Mr. and Mrs. Deppeler at an afternoon picnic in the early 2000s. They have always been well respected by their neighbors and friends, and will always live in my memory. I'm sure Fred was there to greet Helen when she arrived. May God bless them both.

“ Just wanted to express my sympathy on the loss of your Mother. I got to know your mother when my mother was at Woods Crossing. They ate at the same table every evening. I sat with them at the supper table many times. Your Mother was a delightfull person. I enjoyed visiting with her very much.
