“ First I must introduce myself. I was a half-brother to Helene. My 3 sisters have passed and perhaps you remember your Mother mentioning Ila Mae. She was the oldest. I remember visiting the farm. You children were so young that I am sure that you don't remember us being their. Of late your Mother and I have exchanged e-mails and enjoyed some of the things we passed back and forth. I was sorry to hear of Helene's passing and you have my sympathy. My memories of Helene are pleasant and will remain with me. It is tough to lose one's Mother but the memories sustain you.

“ Sandy, Herron, and family you have our deepest sympathy. Although we only met Helene a few times, it was easy to see what delight she took in the people and events around her. People like that brighten the lives of everyone they know.

“ Helene's upbeat spirit will always resonant when I think of my visits. Spending several quality hours reminiscing on my recent stops at her home shall be the way I have always thought of her, upbeat and laughing. She traveled the world comfortable in her own being. Memories of her good life will always intertwine mine.

“ *It was so sad to hear the passing of Helene. I am so glad she was able to be with us for our mom's funeral last year (Ila Mae) she was always so cheerful. I will always remember the times when we gathered at Helene and Leo's for a Sunday afternoon and playing in that playroom. I will never forget mom talking about the wonderful times our parents spent together dancing. They sure loved to dance. Now they all can square dance once again! My sympathies to the family.*

“ Julie and family, we were so sorry to hear about the loss of your mother and our thoughts and prayers are with you and your family. We just loved your mother, and we loved having her in our home for family gatherings. She was such a wonderful, Christian woman, always smiling and reflecting Christ in her life. May you have peace and hope in remembering God's promise that you will see your mom again one day in heaven. She is in the presence of her Savior and will be waiting to greet you all when you too are called home. God bless you all.

“ *Dear Sandy:*
I was so saddened to hear of the loss of your mother. Even though she was here for over 80 years you can never be ready to lose the one person who comforted you when you were sad or scared or anxious and who encouraged you to be the strong amazing woman you are today. You are in my thoughts today.

“ We will always remember Helene's indefatigable spirit as she kept pace with travelers decades younger than herself. We are glad to have been part of her big adventure in visiting Ukraine and Russia "in the early days."

May the Lord bless you as you savor the great memories.
