“ So sorry for your loss. We lived on the dairy farm just to the west of Homer's for almost 20 years. I have lots of good memories of both him and Edna.

“ Just read of Homer's passing and want to extend our sympathy to all the family. He was such a nice man. He always let us know when the grapes were ready so we could come and get some to make juice even gave us his recipe for grape juice.

“ I was sorry to hear (belatedly) about Homer's passing. I have such great memories of times that our families spent together. He was a huge help to our family at the time of my dad's passing, and that's never been forgotten, even after all these years. The birdhouses that he built for us are still housing bluebirds, too!

“ I have many wonderful memories of both Pinky and Edna in growing up with our mutual family celebrations for birthdays, church and school events, and New Years eve parties. They were important influences in shaping not only their own children, but also neighboring children, and I'll always be grateful.

“ *I know this is late, but it is never too late to let friends know you care. You were lucky to have a wonderful father as Homer. And we are lucky to have known him and have him as a friend. You all have our deepest sympathy.*
