“ Keith, Curt, & Family,

*So sorry to hear of your Dad's passing. I know he hasn't really had a great quality of life for a long time, so maybe he won't be fighting as hard now. I know even way back when I was up there, he had good days, and days that he seemed to struggle just to get along. My feet still aren't good enough so I can stand very long, so I didn't try to even get to visitation, & had to go to Dr. on day of funeral. But you know I was thinking about you and praying for your Dad. Good luck!*
