“ Our sincerest sympathy to Andrea and the whole family. Jim left way too soon. I have many fond memories of staying at Aunt Millie"s and Uncle Ed"s for a few days many summers and playing with Jim and as teens "hanging out." Also, memories of Jim and I taking Aunt Irene to lunch "on the Square" in Monroe. Last time we saw him was Ed's funeral. I didn't realize he had a FB page. We plan to be there Friday.

“ My deepest sympathy to all of Jim's family. He was my best friend in high school. I was the person who talked him into joining the National Guard, a service that he was so committed to. "Pete" and I did so many things together it would take a book to collect all the memories. My biggest regret as I write this is we did spend any time together after I left college. A good time to remind everyone that life is short and we should make time to see those who meant (mean) a lot to us. I will miss you old friend. Save me a spot in that El Camino!!

“ My sincere sympathy, I have known Jim for long time first meeting him in the Army National Guard back in the 80's. I had the privilege of serving with him and deploying to Desert Shield/Desert Storm with Jim. I have a lot of fond memories of time spent with Jim, the memories of our times at Castle Rock Lake, boating and staying at Jim's trailer. Jim was always such a good friend and everyone liked him. I know that over the years we did not stay in contact as much as we used too, but every once in a while my phone would ring and it would be Jim or I would call just wanting to catch up. I know we would talk like we had just talked the day before. I will miss Jim and I wish I could have had more time to catch up with him. Jim was a fellow veteran, and a great friend. I salute you my friend.
